DIRECTORS' CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS:

The undersigned, being the majority of the members of the Board of Directors and Corporate Secretary of **A BROWN COMPANY, INC.** (the "Corporation"), a corporation duly organized and existing under the laws of the Philippines, with principal office at Xavier Estates Uptown, Airport Road, Balulang, Cagayan de Oro City, Misamis Oriental 9000, Region X, under oath, do hereby certify that the attached instrument is a true and faithful copy of the Amended Articles of Incorporation of the Corporation, reflecting the amendment to Article Seventh thereof, to create Preferred Shares by reclassifying its authorized capital stock from the current Three Billion Three Hundred Million Pesos (₱3,300,000,000.00) divided into Three Billion Three Hundred Million (3,300,000,000) Common Shares to Three Billion Three Hundred Million Pesos (₱3,300,000,000.00) divided into Three Billion Two Hundred Fifty Million Pesos (₱3,250,000,000.00) divided into Three Billion Two Hundred Fifty Million (3,250,000,000) Common Shares and Fifty Million Pesos (₱50,000,000.00) divided into Fifty Million (50,000,000) Preferred Shares, both with par value of One Peso (₱1.00) per share.

A description of the different classes of stock of the Corporation and a statement of the designations and powers, preferences and rights, and conversions, limitations, or restrictions thereof, in respect of each class of stock, is as follows:

1. Common Shares shall have full voting rights and except as may be otherwise provided in these Articles of Incorporation all shares shall have the same rights and enjoy the same privileges. Unless the Board of Directors authorize the issuance of Preferred Shares in accordance with the Articles of Incorporation, all issuances of shares by the Corporation shall be Common Shares.

2. Preferred Shares may be issued from time to time by the Board of Directors which is hereby authorized to adopt resolutions authorizing the issuance

thereof in one or more series for such number of shares and relative rights and preferences as it may deem beneficial to the Corporation. The resolution so adopted shall be recorded with the Securities and Exchange Commission and thereupon be deemed an amendment and part of this Articles of Incorporation. Subject to any commitment contained in a prior issued series, the resolution(s) herein authorized to be adopted by the Board of Directors shall specify with respect to a given series:

- (a) the number of shares to constitute such series and the distinctive designations thereof;
- (b) the terms of payment on the subscription, whether partial or full, and in the case of the former, the relative rights thereof as to dividends, voting rights, convertibility and the like;
- (c) the annual dividend rate, if any, on the shares of such series which shall be fixed or variable, considering the rate of return of such securities at the time of issue, the cumulation or non-cumulation of dividends, the date or dates of cumulation or accrual, but dividends shall be deemed to be cumulative from date of issue unless otherwise specified in the resolution creating such series;
- (d) the time(s) and price(s) of redemption, if any, of the shares of such series;
- (e) the terms and conditions of a retirement or sinking fund, if any, for the purchase or redemption of the shares of such series;
- (f) the amount which shares of such series shall be entitled to receive in the event of any liquidation, dissolution or winding up of the Corporation (which shall not exceed the consideration received therefor plus accrued and unpaid dividends thereon, if any, nor be less than the par value thereof);

- (g) the convertibility or non-convertibility thereof to other class or classes of shares of the Corporation and if convertible, the terms and conditions, if any, on which shares of such series shall be convertible into, or exchangeable for, shares of stock of any other class or classes, or other series of the same class, of the Corporation;
- (h) the absence of voting rights, of said shares of stock, however each share of Preferred Shares shall have one vote on all corporate matters where the law grants such voting rights;
- (i) the status as to reissuance or sale of shares of such series redeemed, purchased or otherwise reacquired, or surrendered to the Corporation;
- (j) the conditions and restrictions, if any, on the payment of dividends, or on the making of other distributions and purchase, redemption, or other acquisition by the Corporation or any subsidiary, of the Common Shares or of any other class of stock of the Corporation ranking junior to the shares of Preferred Stock as to dividends or upon liquidation;
- (k) the conditions and restrictions, if any, on the creation of indebtedness of the Corporation, or any subsidiary, or on the issue of any additional stock ranking on a parity with or prior to the shares of such series as to dividends or upon liquidation; and
- (l) such other preferences, rights, restrictions and qualifications as shall not be inconsistent herewith;

3. All shares of preferred stock of the same class shall rank equally and be identical in all respects regardless of series unless otherwise specified by the Board of Directors pursuant to the foregoing provisions of paragraphs 1 and 2 and if

shares of any one series are issued at different times, the subsequently issued shares need not be entitled to receive dividends previously paid on the outstanding shares of such series.

4. The holders of Preferred Shares shall be entitled to receive out of the net profits or net assets of the Corporation available for dividends, when and as declared by the Board of Directors, cash dividends at the rate specified for each particular series, and no more, payable quarterly, semi-annually or annually, from and on the date or dates specified for each such series, before any dividends shall be declared and paid upon or set apart for the Common Shares. If dividends on the Preferred Shares of any series are not paid in full when payable or declared in full and sums set apart for the payment thereof, then no dividends shall be declared and paid on any Preferred Shares unless declared paid ratably on all shares of each series of the Preferred Shares then outstanding, including dividends accrued or in arrears, if any, in proportion to the respective amounts that would be payable per share if all such dividends were declared and paid in full.

5. Subject to the provisions of paragraph 3, as to the assets, and in the event of any liquidation or dissolution or winding up of the Corporation (whether voluntary or involuntary) the holders of the Preferred Shares, shall be entitled to receive out of the assets of the Corporation available for distribution to its stockholders, whether from capital, surplus or earnings, the amount specified for each particular series, together with all dividends (whether or not earned) accrued or in arrears, for every share of their holdings of Preferred Shares before any distribution of the assets shall be made to the holders of the Common Shares, and shall be entitled to no other further distribution. If upon any liquidation, dissolution or winding up of the Corporation the assets distributable among the holders of Preferred Shares shall be insufficient to permit the payment in full to the holders of the Preferred Shares of all preferential amounts payable to all such holders, then the entire assets of the Corporation thus distributable shall be distributed ratably among the holders of the Preferred Shares in proportion to the respective amounts that would be payable per share if such assets were sufficient to permit payment in full.

6. For purposes of paragraph 4, neither the consolidation nor merger of the Corporation with or into any other corporation, nor any sale, lease, exchange or conveyance of all or any part of the property, assets or business of the Corporation shall be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this ARTICLE SEVENTH, unless the Board of Directors of the Corporation elects to treat such transaction as a liquidation, dissolution or winding up of the Corporation.

7. Subject to the limitations or conditions herein or in the terms of any series, the whole or any part of Preferred Shares at any time outstanding, or the whole or any part of any series thereof, may be redeemed by the Corporation at its election, by resolution of the Board of Directors, upon notice to the holders of record of the Preferred Shares to be redeemed, given as hereinafter provided, at the time or times and price or prices specified for each particular series together with all dividends (whether or not earned) accrued or in arrears (hereinafter in this ARTICLE SEVENTH called the "redemption price"). If less than all of the Preferred Shares then outstanding, or of any series thereof, is to be redeemed, the redemption may be made either by lot or pro rata, in such manners as may be prescribed by resolution of the Board of Directors. A notice of such election shall be mailed by the Corporation, postage prepaid, not less than 30 nor more than 60 days prior to the date specified in such notice as the redemption date, addressed to the respective holders of record of the Preferred Shares to be redeemed at their respective addresses as the same shall appear on the stock transfer records of the Corporation. Notice having been so given unless default shall be made by the Corporation in providing moneys for the payment of the redemption price pursuant to such notice, all dividends on Preferred Shares thereby called for redemption shall cease to accrue from and after the date of redemption specified in such notice. The notice may specify a date (which may be on or prior to the date of redemption so specified) on which the Corporation shall provide the moneys for the payment of the redemption price by depositing the amount thereof with a bank or trust company doing business in Metro Manila, and on the date so specified, all rights of the holders of Preferred Shares called for redemption, as stockholders of the Corporation, except the right to receive the

redemption price (but without interest), and the right, if any, to exercise all privileges of conversion specified for any particular series, shall cease. Any interest allowed on moneys so deposited shall be paid to the Corporation. Any moneys so deposited which shall remain unclaimed by the holders of such Preferred Shares at the end of six years after the redemption date shall become the property of, and be paid by such bank or trust company, to the Corporation.

Except for the right to convert shares as may expressly be provided with respect to shares of Preferred Stock, no stockholder shall have a right to purchase or subscribe to any additional share of the capital stock of the corporation whether such shares of capital stock are now or hereafter authorized, whether or not such stock is convertible into or exchangeable for any stock of the Corporation or of any other class, and whether out of the number of shares authorized by the Articles of Incorporation of the Corporation as originally filed, or by any amendment thereof, or out of shares of the capital stock of any class of the Corporation acquired by it after the issue thereof; nor shall any holder of any such stock of any class, as such holder, have any right to purchase or subscribe for any obligation which the Corporation may issue or sell that shall be convertible into, or exchangeable for, any shares of the capital stock of any class of the Corporation or to which shall be attached or appertain any warrant or warrants of any instrument or instruments that shall confer upon the owner of such obligation, warrant or instrument the right to subscribe for, or to purchase from the Corporation, any shares of the capital stock of any class.

No transfer of stock or interest, which will reduce the percentage of ownership of citizens of the Philippines below that which is required by law shall be permitted to be registered in the books and records of the Corporation, and this restriction shall be printed in all stock certificates of the Corporation.

The foregoing amendment to the Articles of Incorporation was approved and adopted by at least a majority of the members of the Board of Directors in a meeting held on 12 April 2021 held by electronic communications, and by the stockholders owning more than two-thirds (2/3) of the issued and outstanding capital stock of the Corporation in a separate meeting on 24 June 2021 also held by electronic communications.
