Re: Issuance of Department of Energy Certificate of Authority
for the Manolo Fortich Solar Power Project of
Indirect Subsidiary, Manolo Fortich Power Corporation

Gentlemen:

Please be advised that Manolo Fortich Power Corporation ("MFPC") received notice today, June 26, 2026, of the issuance by the Department of Energy of Certificate of Authority No. SCOA2026-06-202 ("COA") for the Manolo Fortich Solar Power Project. The COA is effective June 25, 2026.

MFPC is an indirect wholly-owned subsidiary of A Brown Company, Inc. through ABC Energy Inc. (ABCEI).

The COA gives MFPC the exclusive authority to procure the necessary permits and clearances for the exploration and assessment of the Manolo Fortich Solar Power Project from government agencies, local government units, entities or instrumentalities having jurisdiction over any aspect of the Solar Energy development, including the conduct of reconnaissance and other activities needed for feasibility studies within the project area. The project covers an area of 202.38 hectares situated in the Municipality of Manolo Fortich, Province of Bukidnon.

The COA shall be valid for one (1) year from the date of issuance, during which MFPC will conduct the necessary pre-development activities required to transition the project into a formal Solar Energy Operating Contract ("SEOC") with the DOE.

The Manolo Fortich Solar Power Project is part of ABCEI's broader renewable energy development strategy through ABCEI.

Thank you for your kind attention.

Very truly yours,

ALLAN ACE R. MAGDALUYO
Compliance Officer
